The Swaim court of inquiry met this morning, received argument of coursel, and went into secret session to consider the case.

The findings of the court were sent to the Secretary of War this evening, and Gen. Pope, accompanied by Maj. Dunn, of his staff, will leave for San Francisco to-

The House conferees on the Dingley shipping bill were not appointed to-day. The chief items of difference between the Senate and the House upon the bill ar contained in the free ship clause, which was inserted on motion of Mr. Cox [N. Y.] and the Senate amendment providing in and the Senate amendment providing in-creased compensation for carrying mails on American waters. There is little pros-pect of a meeting of the conferees this week or in ten days, as Senator Frye, who heads the committee on the part of the Senate, intends to leave the city to-night for a short absence, and Mr. Voorhies, who will undoubtedly head the House conferees, also expects to be absent some days.

A large delegation from the African Methodist Episcopal Conference, now in session at Ealtimore, visited this city today and paid their respects to the Presi-dent. Short addresses were made by sev-eral clergymen. Bishop Wayman, of Bal-timore, expressed the hope that the Presi-dent's administration in the future would dent's administration in the future would be as satisfactory as it had been in the past, and that his last days would be his best. Bishop Turner, of Georgia, thanked the President, in the name of the colored race, for his efforts in their behalf. The President, in reply, said: "I am very glad to meet so many representatives of the religious body of which you are members, and I thank you most heartily for your kind words and good wishes."

Agriculture.

The House Committee on Agriculture decided to report adversely the resolution appropriating \$25,000 for the purchase of seeds for distribution among the sufferers by the overflow of the Mississippi river and its tributaries. Representative King was present, and read a telegram from his state to the sifert that the present were on. State to the effect that the people were on the point of starvation, and would die unless seeds were immediately distributed. qualifications for the place are, first, that I have personally known him since I first entered Congress. We were in the lower House together and in the Senate. In all that period I have never known him to falter or desert a cardinal principle of the Democratic party. I had rather make a contest on clean-cut, well-defined, sterling principle and be defeated than to succeed in an election by temporizing, compromising or deserting a principle."

"What do you regard as cardinal Democratic party is a principle of the property of the committee to make an investigation of the foot and mouth disease in Maine, the introduction of which, it was asserted, was through the carelessness of United States officials, charged with not duly quarantining cattle.

CROP REPORT

of the State for the Month of April The Prospects Excellent, The report of Commissioner McWhirte The report of Commissioner McWhirter for April is based upon 500 reports from ninety-four counties. The weather was very unfavorable until the middle of March, but began rapidly to improve about April 1st. The wheat crop is very good in all parts of the State, the acreage largely increased and the yield improved by the judicious use of fertilizers. The prospects for an abundant crop are eveelby the ludicious use of lectilizers. The prospects for an abundant crop are excellent. Corn-planting was delayed several weeks by unfavorable weather, and the outlook is not encouraging. The acreage of clover has been increased, but crops on the level lands were severely injured. About the middle of the month the

About the middle of the month the prospect for a good crop was excellent. There seems to be a growing disposition to plant less cotton and more grass. The rye and barley acreage are both below last year. The unusually severe winter, followed by the cold, wet spring, had a very serious effect on the condition of stock of all kinds, cattle especially, which are now scarce and in demand. The condition of horses and mules is below that of last year, and prices are generally high. of last year, and prices are generally high. Buffalo gnats have destroyed a large num-

the rights of the contestee to retain his seat.

Mr. Blackburn supported the claims of the contestants.

After considerable debate Mr. Peelle addressed the House in his own behalf, and Mr. English's claims were advocated by Messrs. Hurd, Springer, Henley and Converse [O.].

Mr. Hart then offered as a substitute for the majority resolution the resolution of the minority conferring the right of Peelle to the seat.

Daring the progress of the vote there was a great deal of interest manifested.

Buffalo gnats have destroyed a large number of horses and mules, especially in the six ber of horses and mules, especially in the river counties. The condition of hogs is more favorable, but the dogs have made considerable inroads on sheep. Notwithstanding the backward spring and the delay in farming operations, farmers are generally cheerful, and are working work of the season. The financial condition is reported good in most sections. In some farm hands are scarce but reports indicate that laborers are doing well in nearly every portion of the State. Every-thing points to a prosperous year. thing points to a prosperous year.
